We are continuing the recent tradition with the May 2009 Commencement that each College and School will host their own, more personal ceremony. The Ratcliffe Hicks School of Agriculture and the College of Agriculture and Natural Resources Commencement activity will take place on Saturday, May 9th beginning at 6:00 pm in the Gampel Pavilion.

You will order your graduation cap and gown from the UConn Co-op. No guest tickets will be necessary for the Commencement Ceremony as there is no limit to the number of guests that you may bring.

We hope that Commencement Day will be a joyful celebration for you, your family, and friends. We are working to make it so and look forward to your participation.

On behalf of our faculty and staff, congratulations on the completion of your studies and best wishes for continued success.

Sincerely,

Cameron Faustman
Associate Dean
